If this sheet is personalized for current students, classes highlighted in pink are required, ones in yellow are optional. Only one dancer per form please. Fill in the hours next to each class in order to register and complete the math. The hourly rate is calculated by determining the number of class hours taken during a single full week of instruction and comparing that value to the rate chart. Partial enrollment in a class is not allowed. This form, with fees, must be received by the first day of class. Students will not be allowed to participate until enrollment has been received. All enrollment is subject to teacher's approval. Class space is limited, and continuously enrolled students are given first priority. Dance Cards may be purchased at the Studio for Adult Classes. **Schedule Changes/Dropping Classes:** To change your schedule or withdraw from a class, you must obtain instructor approval and turn in a written notice at least two-weeks in advance. Not showing up to class does not constitute a withdrawal.

### Payments and Late Fee Policy:

Make payments by check only, payable to "Applegate Dance Studio." Please remember that we do not send out bills. Fees not paid by their assigned due dates will be subject to a \$20 late fee. All delinquent accounts must be paid in full before enrolling in the current session. If financial circumstances arise, please contact us prior to the due date to make payment arrangements.

### Absences/Make-ups/Credits/Special Accommodations:

Students may make-up missed class times in other appropriate classes. Classes need to be made up within the same session. Absences will not be credited to future class sessions. Inconsistent attendance is disruptive to class. If a serious and extended circumstance arises such as a prolonged medical situation we will credit you for those classes missed at our own discretion. If the instructor cancels class, extra rehearsals may be used as make-up classes. Otherwise, your account will be credited at the end of the session.
